Please use a separate sheet for each subject treated

Dear Julius:

Enclosed are some more revised formulas. Most of them are the Asbestos-Free formulas with the exception of the Resurfo Paste which had the Talc taken out and replaced with Duramite.

The new formulas enclosed are:

Ready Mixed Dramex Texture Paint-Asbestos Free - Revised 5/23/77
Dramex Powder-Asbestos Free
Multipatch- Asbestos Free
Resurfo Paste Asbestos
Premixed Joint Cement-Asbestos Free

You may have already received the new Ready Mixed Dramex Texture Paint-Asbestos Free formula, however, they revised it slightly.

I am waiting until they finish reformulating all of the formulas before I send Bio-Test Laboratories copies.

Regards,

Jeanette
