It Pays To
 Prepare Before
 You Paint!

Without Cost or Obligation Let Us Send
 a PAINT Specialist to YOUR Home for
 Danger Spot Inspection Before You Paint

The proper protection of such items as: 1. Metal Work, 2. Window
 Frames, 3. Metal Sash, 4. Gutters and Spouts, 5. Curling Siding, 6.
 Unprotected Corners, 7. Peeling Paint, 8. Cracked Siding, 9. Con-
 crete Foundations ★ and other DANGER SPOTS, can mean the dif-
 ference between a satisfactory and unsatisfactory Paint Job. ★ Ex-
 perience has taught our experts what-and-where-to-check and the
 best products to recommend for the DANGER SPOTS
 that can cause so much trouble and expense if neglect-
 ed. We invite YOU to use this FRAZEE'S service.
