Dear Martha:

As moderator of the last session of the AAOM meeting, I have been asked by our Program Committee Chairman, Dr. Lee B. Grant, to advise you that your proposed paper "Smoking and Lead" has been accepted and will be presented to AAOM's Board later this month as shown in the enclosure. Should there be any further changes in title or authorship, please advise.

We are looking forward to working with you in this AAOM session.

Sincerely,
