Thanks for your help with this and sorry it's taken so much time to get you an answer.

If he would like to discuss regulatory measures, I will also cite the nature of his speech in front of NSWA. It will be similar audience with similar priorities and concerns.

Please call/email if there is anything else you need today.

Regan,

So good to see you last week!

Could you pretty please send me logistical details for the reception next week? Will be preparing a briefing for the calendar and for the Administrator. I'll also want to do a walk-through of the location this week.

Hope you can make the trip next week. 😊

Thank you!

Millan
