Hi Matt!

When you have a moment, I have 2 quick questions from our legal department (just internal paperwork).

If a member of the public wanted to attend **ONLY** the lunch, what is the cost of admission? Is it \$50 that I saw on your website (for non-members)? **Yes \$50 is correct for any lunch attendee.** Or do they need to pay the full registration fee \$650 then an additional \$50 if they want to attend the lunch? **No, they do not have to pay the full registration to attend the lunch.**

And do you know who will be the lunch sponsor - is it a member of your organization or could it be non members as well? It's okay if you don't have that information yet. We completely understand and can wait until closer to the event date. **We currently have two member sponsors, Hecla Mining Company and Goldcorp. Nonmembers are allowed to sponsor, however that is a rare occurrence.**

Thank you!
Leila

Thank you for taking the time to speak with me this afternoon. Again, thank you for the kind invitation to Secretary Zinke. He greatly appreciates the opportunity and accepts. Please let me know if you need anything else from me to confirm his participation in your program. I'm holding December 6th and will follow up with you closer to the date. And just a reminder, please don't release his name or include it any conference material or email without our prior approval. I greatly appreciate your understanding.

Thank you again!
Leila

Downey, I wanted to follow up with my contact information and a note of thanks for visiting in Rapid City. It was a great event and really nice that you and the other staff could come along.

Also, we had discussed the potential to have the Secretary as our Keynote Speaker at our Annual Meeting Dec 5-7 in Spokane, WA where 2000 mining industry professionals will be gathering. If this remains a possibility, please let me know the appropriate protocols for a proper invitation.

Thanks again and I was great to visit. I will look you up when we are in DC next.
