PIONEER MANUFACTURERS
OF SYNTHETIC RUBBER

May 25, 1937

University of Cincinnati,
Kettering Laboratory,
College of Medicine,
Cincinnati, Ohio

Attention - Mr. Willard F. Machle, M.D.

Gentlemen:

We acknowledge and thank you for your letter of the twenty-first, relative to "THIOLKOL" gloves.

While we supply the crude synthetic rubber products with which these gloves are treated, we do not make the final product. Therefore, we are asking the Pioneer Rubber Company of Willard, Ohio to communicate directly with you on the matter, as they are supplying such gloves to the trade.

Very truly yours,

THIOLKOL CORPORATION
