VISTA

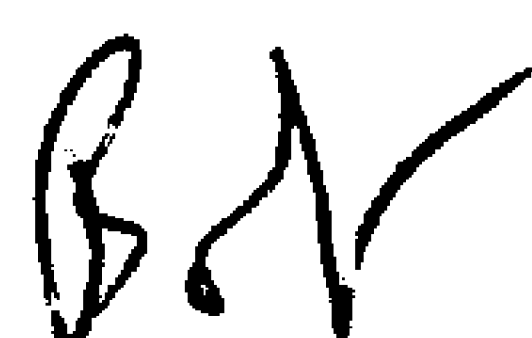

Congratulations to all of you who have been responsible for preventing VCM releases for the entire year of 1992. You have received a 1st Place Environmental Achievement Award in the PVC category from the Vinyl Institute.

This 1st place award was earned by having a perfect record for no releases in 1992.

This achievement is important to Vista, your fellow employees, and the Aberdeen Community.

This is also your fourth award in the six years that these plaques have been presented by the Vinyl Institute. We will hang this plaque in the vinyl control room.

Congratulations and my thanks to all of you!
