[20221212 FPP4EU Collaboration Platform workshop Draft Agenda.pdf](#)

Dear 5.1.2e

I am writing to you to invite you to the next **FPP4EU Collaboration Platform workshop** that will take place in **Brussels** on **12 December 2022, 10.00-16.00 CET**. Please find attached the latest draft agenda of the meeting. DG GROW will cover: "Process and relation between PFHxA, PFAS in firefighting foams, Universal PFAS and other restrictions". We are awaiting the confirmation of ECHA to explain "Procedure on SEAC and involvement of relevant stakeholders" as we would like to understand the process followed by the agency when assessing the PFAS restriction. During the afternoon we have invited several downstream users to provide presentations on case studies relevant to PFAS and /or initiatives taken to participate in the upcoming ECHA consultations on the PFAS wider restriction proposal.

Bringing the regulators, competent authorities our members and our downstream users together in June proved to be an informative exercise for all parties and I hope you can join us to continue with these discussions.

MEETING REGISTRATION

Please, indicate [HERE](#) if you would like to attend the workshop in-person or online. Deadline for registering to the physical meeting is **14 November**.

We have already noted down some of your registrations, but we would still appreciate if you could fill-in the form as it gives us a better overview.

FOR THE PARTICIPANTS ATTENDING IN-PERSON:

Meeting venue: Hotel Thon EU, Rue de la Loi 75, 1000 Brussels.

FOR THE PARTICIPANTS ATTENDING ONLINE:

MS Teams link and the respective Outlook calendar invitation will be sent out to all invitees in due course.

Note:

This event is by invitation only.

We remain at the disposal for any additional questions you might have.

Best regards

5.1.2e
