lay Department 'ere Wins Praise

San Mateo recreation department today was subject of a letter om a local resident to the city uncil expressing praise for the epartment and its program.

Ralph W. Gaines, member of the ty personnel board, wrote Mayor Herschel Campbell and the uncil: "Our son Randy, age 9, rticipated fully this past summer the day-camp activities sponred by the . . . recreation department, and derived a great deal of enefit both from the comradeship nd the craft knowledge imarted. . ."

"Conversations we have had with her neighbors indicate they too nsidered the program well worthhile, and its administration exellent. Too often we are inclined criticize, but withhold praise here it is due."

More than 60 per cent of North arolina's land is in farms.

putter shop has equipment enabling the craftsman to perform a multiplicity of tasks in his chosen hobby. A supervisor will be on duty to guide participants in proper use of equipment and for suggestions and hints.

Lang Renamed as Teacher Group Aide

The San Mateo County Teachers' association, as an action of the executive board, today had been reappointed Raymond I. Lang as public relations counselor for the asociation, it was announced by Dan K. Tilley, president. He resides in San Mateo. The 1500 member organization will sponsor a teachers community chest drive, actively support proposition 2 calling for increased state aid to schools, and direct the county teachers' institute during November.

Since Puritans objected to May poles and other May day celebrations, they were forbidden by the Brtish parliament in 1644.
