DOCUMENT DESCRIPTION: Corporate IH [G Wilson] memo transmitting booklet on Asbestos Dust prepared for NIOSH to Firestone Managers [Ex. 51]

SEPTEMBER 25, 1973

MR. L. E. MAY
NEW CASTLE

C. L. WILSON

Attached is a copy of a booklet on Asbestos Dust prepared for NIOSH. Various agencies and unions have urged that booklets such as these be placed in the hands of workers.

We do not recommend that you distribute materials such as this but we do think that your management people should be familiar with its contents in case some of your people acquire it.
