STATEMENT

The Portland Harbor PCI Private Business Group issued the following statement after the release of the Pre-RD Investigation Sampling Plan for the Portland Harbor Superfund Site:

“The PCI Private Business Group is pleased to see today’s announcement from EPA of an agreement on a sampling plan for the Portland Harbor Superfund Site to be implemented by a group of private sector parties potentially responsible for cleanup of the river. The PCI Private Business Group endorses the sampling plan and has agreed to help fund its implementation. This puts the Portland business community involved in cleanup of the site on record in support of moving forward expeditiously on getting the scientific data we need to complete clean-up of the river, a resource we all value.”
