Dear Dr. Kehoe:

Mr. Lahty without permitting any discussion of the matter abolished the Insurance Department consequently obliging me to seek a new connection at once.

To this end, I will deeply appreciate any suggestions you may have to offer me that may help to accomplish this.

I have had rather a wide experience practically in all forms of Insurance with such as the Aetna, National Fire Ins Co, Fidelity and Deposit Co, "America Fore" Group both in the field and in the Office.

I am only working with you now. Sorry I could not have kept on solving the problem the Johnson Bronze has.

With my best thanks for your consideration and with kindest regards,

Sincerely
Harry R. Bryant
