

1 MR. SMITH: Your Honor, if Dr. Millette
2 could come down off the stand, we have some slides to
3 present.

4 THE COURT: He may.

5 (Whereupon, the witness left the witness
6 stand.)

7 THE COURT: Dr. Millette, would you like to
8 take the position right next to Ms. Gahagan here,
9 please?

10 Right there, sir.

11 (Whereupon, slides were presented to the
12 jury via the view box.)

13 BY MR. SMITH:

14 Q Dr. Millette, can you tell us what this
15 slide shows?

16 A This shows the surface of one of the brake
17 shoes.

18 Obviously it is a Ford brake shoe, and the
19 whole piece is probably about 10 inches long. It is a
20 curved surface, as we will see in the next picture.

21 One of the things to look at here is we will
