Subject: FW: OSHA silica arguments next week

Here's another.

Subject: OSHA silica arguments next week

Hi Bill,

I saw your Form 72 filing that you plan to argue next week in the legal challenge to OSHA's silica rule on behalf of the National Stone, Sand & Gravel Association and the Brick Industry Association. Can you confirm that you plan to argue on their behalf? Do you have any other statement on the arguments given your pending nomination to EPA?

Thank you,
