Now DuPont

DUCO[®] ENAMEL
IS ODORLESS!*

... and it stays like new for years

In sparkling Gloss and velvety Semi-Gloss, DUCO is ideal for walls, wood-work and furniture in every room! Fine for kitchens, baths or any area that gets repeated wear and washings. The Gloss is ideal, too, for porch or garden furniture.

And DUCO is "One-Coat Magic"! See how easily it goes on... how quickly it transforms old surfaces, usually in just one coat! No more annoying smells while painting—now that DUCO is odorless during application! (*A faint resin odor may be noticed in the final drying stage.)

You'll get like-new beauty that lasts for years, too, because DUCO resists hard knocks, grease, dirt, moisture, heat and cold. White stays white... colors stay bright.
