Subject: RE: Meeting w/ Administrator Pruitt

Hi Roy Lee,

Apologies for the delay on this. I've copied here Steve Cook, who is a Deputy Assistant Administrator in our Office of Land and Emergency Management. Steve would be happy to take this meeting with your groups and then hopefully the Administrator can join for 10-15 minutes or so pending his schedule. We will also likely have a few more staff in this meeting, including members of our Office of Public Engagement, also CC'ed here.

Should we say a 9:30AM meeting on Thursday, April 12? Would that work for your group and Steve, would that work for you? I can send you arrival details when we nail down a time.

Thanks!

Hi Roy Lee,

Thanks for sending! Looking at the Administrator's week around April 12, he is out of town and has quite a few speaking engagements. How about this – would you be ok if I set your group up with a couple of our senior political staff who work on WOTUS and CERCLA/EPCRA and then hopefully the Administrator can stop by for 15 minutes or so at the tail end of the meeting? I just know he has several events out of the office those couple days he's in town so hopefully you can see him for a bit but if not, at least we have a solid meeting with some folks teed up for you?

Let me know if that works and I will go ahead and set it up with our senior staff and hold some drop-by time on his schedule.

Thank you!

Mr. Lindsey,

Thank you so much for reaching out. It always brings me great joy to hear from fellow Oklahomans. I am copying Hayley Ford who will be able to assist you from here. She will ask you to complete a meeting request form before we can offer/confirm times.

Ms. Hupp –

I write today on behalf of the Oklahoma Pork Council and the Oklahoma Cattlemen's Association to request an appointment to meet with Administrator Pruitt during our legislative fly-ins in April, 2018. The delegations from okPORK and OCA will arrive the afternoon/evening of Tuesday, April 10, and will fly out either late Thursday, April 12, or the morning of Friday, April 13. Ideally we

would like to meet with Administrator Pruitt on Thursday morning April 12, but we are flexible in our schedule. We have not started scheduling meetings with our congressional delegation so we could accommodate Administrator Pruitt's schedule.

Topics of discussion would include WOTUS and the CERCLA/EPCRA reporting requirements for large animal facilities.

We would anticipate our group would total 10 people with five from each organization. This could change and we'd be happy to provide you with names and details on who would be attending the meeting.

I was told you are the person to contact to set up this type of meeting. If I've sent this to the wrong person, please let me know who to contact.

I can be reached via email at this address or via phone at Ex. 6 if you have any questions or need any additional information.

Thank you in advance for your assistance.

Roy Lee
