Overhauling our current antiquated air traffic control system requires a serious investment, but it's absolutely necessary for the safety and efficiency of our airspace. @SecDuffy understands how urgent this need is. Thank you for your leadership, @SecDuffy!

Yes, many thanks Ryan. Would you prefer that I send you an invite or will you send?

Ryan –

I have a few things on ATC that I mentioned to Pete today and he asked me to share with you. Do you 10 minutes for a call sometime this week?

Thanks! Sharon
