Neil- great meeting you earlier today. As we talked about earlier, I wanted to connect you to Rob Okinczyc who handles media bookings over at In Pursuit Of. He mentioned that he might be able to help find someone who can speak on camera.

Rob- this is Neil McCabe who is an investigations reporter at One America News Network. He was looking for someone to speak to work being done at EPA under Pruitt, and to provide context to the general news surrounding Pruitt this week.

I'll let you guys take it from here.
