Dear Mr. Kenna:

I'm sorry for the delay in responding to your recent request for PCB information. The enclosed articles should answer the questions posed.

1. PCBs: A Perspective for the Die Casting Industry. Published in Die Casting Engineer, Sept. 1983.

   A general review of PCB manufacture, use and history with a review of health effects literature.

2. PCBs: Is the Cure Worth the Cost? Published by the American Council on Science and Health, Jan. 1985.

   A very recent review of PCB health effects and risk/benefits.

3. Polychlorinated Biphenyls-PCBs, A Report on Uses, Environmental and Health Effects and Disposal. Published by Monsanto, Nov. 1979.

   Summary of data submitted to U.S. Congressional Committee.

4. Monsanto Material Safety Data Sheet, Sept. 1980.

If you have any questions please phone me.

Sincerely yours,

John H. Craddock, Ph.D.
