Since 1989, the Congressional Sportsmen's Foundation (CSF) has maintained a singleness of purpose that has guided the organization to become the most respected and trusted sportsmen's organization in the political arena. CSF's mission is to work with Congress, governors, and state legislatures to protect and advance hunting, angling, recreational shooting and trapping. The unique and collective force of the Congressional Sportsmen's Caucus (CSC), the Governors Sportsmen's Caucus (GSC) and the National Assembly of Sportsmen's Caucuses (NASC), working closely with CSF, and with the support of major hunting, angling, recreational shooting and trapping organizations, serves as an unprecedented network of pro-sportsmen elected officials that advances the interests of America's hunters and anglers.

15th Annual National Assembly
of Sportsmen's Caucuses
Sportsman-Legislator Summit

November 27 - 30, 2018
Enhancing Access and Opportunity
for America's Sportsmen and Women
#NASC2018

OVERVIEW

The National Assembly of Sportsmen's Caucuses (NASC) Sportsman-Legislator Summit is the most important event of the year for caucus members and partners. Now in its 15th year, this annual meeting serves as the ideal venue for focused discussion and interaction between and among state policy makers, sportsmen's NGO representatives, and outdoor industry partners from around the nation. Attendees will collaborate and devise year-long strategies to advance the interests of sportsmen and women in state legislatures. The theme of this year's conference is "Enhancing Access and Opportunity for America's Sportsmen and Women." As such, the agenda will focus on a wide variety of topics related to hunting, angling, recreational shooting, and trapping, and we will be discussing them through the lens of how each one impacts access and opportunity for our nation's sportsmen and women.

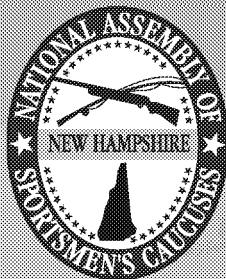

LOCATION

This year's Sportsman-Legislator Summit will be held at the Omni Mount Washington Resort in Bretton Woods, NH — one of New England's grandest resorts and is a favorite retreat of presidents, poets, and celebrities. The resort offers a decadent atmosphere with a Four Diamond Dining Room with orchestra accompaniment, indoor and outdoor pools, Jacuzzis, fireplaces, and Tiffany stained glass, and guests will be delighted with various adventurous activities available in the surrounding area. The White Mountains region of New Hampshire offers majestic mountains with miles of hiking trails, ATVing, hunting, fishing, snowshoeing and some of New England's best downhill skiing and snowboarding. This vast array of available activities, coupled with the picturesque setting and the friendly New Hampshire charm, will ensure that attendees won't want to leave — or will at least want to tack on a few extra days to their trip.
