Subject: Dust Survey - Ravenna, Ohio

Gentlemen:

It would be appreciated if you would arrange to have your industrial hygiene engineers make a dust survey at our Ravenna, Ohio plant at the earliest possible date.

As you know, we manufacture asbestos cement pipe at this installation and in view of the fact it is the first such plant in The Flintkote Company we desire to have a study made,

In order to make the necessary arrangements for this survey, it is suggested that you have your engineer contact Mr. R. O'Sullivan at Ravenna, Ohio.

Yours very truly,

THE FLINTKOTE COMPANY

John P. Tuffy
