BP has a request below for a meeting with the Secretary with Doug Sparkman at BP. I told them I would follow up and make sure you guys had it on your radar. Not sure if timing works but told them I would ship it your way.

Thanks.

Hi, Maddy! Just wanted to circle back on this. Any chance one of the below dates would work for a meeting w/ Administrator Pruitt?

Thanks, Madeline! Would August 11th or September 22nd or 25th work with the Administrator's schedule for a meeting w/ Doug Sparkman?

Hi Ryan,

I'm sorry for the delay. As of now, Administrator Pruitt is out of town that whole week. Obviously that could change, but as of now it is pretty cemented that he will be out.

Let me know how you would like to proceed.

Best,
Maddy

Madeline:

I hope all is well! I just wanted to follow-up quickly on the request made for my executive, Doug Sparkman, to meet with the Administrator during the week of July 31st to see if there were any updates?

Thank you in advance and appreciate your consideration of the request.

Sincerely,

Ryan
