Hi Lucy,

No worries, I appreciate you working with us on this.

Is there way the Secretary could do 12:15 PM on Wednesday? If not, we will make 12:00 PM work but wanted to ask.

Jeremy

Hi Kristin,

Hope you're doing well. I just got off the phone with Wynn Radford and he provided me your contact information to request a meeting with Secretary Burgum on behalf of Chevron. Thank you so much for your assistance with this as I know how busy you and your team must be.

**Meeting Request with Bruce Niemeyer, Chevron President of Americas Exploration & Production**

- **Monday, March 3** – available 12:00 – 2:00 PM; 4:00 – 6:00 PM
- **Wednesday, March 5** – available 8:00 AM – 6:00 PM
- Bruce would like to discuss issues impacting our upstream business including the Biological Opinion and access.

**Meeting Request with Mike Wirth, Chevron Chair and CEO**

- **Tuesday, March 18** – available all day
- Mr. Wirth would appreciate the opportunity to meet with the Secretary to discuss the current geopolitical energy landscape, provide an overview of Chevron's current operations and discuss our perspectives on – and commitment to – furthering lower carbon energy solutions.

Also, Bruce and Mr. Wirth will be attending CERA Week in Houston the week of March 10 and would welcome the opportunity to meet with Sec. Burgum there should he be attending as well.

Please let me know if there is a time convenient for the Secretary on March 3 or 5 to meet with Bruce and March 18 to connect with Mr. Wirth.

Thank you,  
Alex
