White-Lead Carbonate

Consumers of White-Lead, either dry or in oil, can depend on getting uniformity in texture and color, and can depend upon accurate following of specifications in National Lead Company's carbonate of lead.

We've been making it for more than a century. That gives us the "know-how."

Bidders on supplies for the several departments of the U. S. Government, as well as for states, municipalities, railroads and other corporations, can base their bids on products of National Lead Company with perfect assurance that they will conform to the specification standards.

Branches and factories everywhere. Thus we are equipped to give you the best there is in service and deliveries.
