Mr P.L.Lotz.
The Glidden Company,.
Cleveland,Ohio..

Dear Mr Lotz:-

When I was in Knoxville a short time ago Mr Williams and Mr Briggs was showing me a number of Euston Lead Photos of jobs which have been completed in the City of Knoxville and inasmuch as I remember it was requested some time ago to secure some pictures along this line.

I asked Mr Williams to have two of each finished for me thinking they could be used at some future time in the advertising and sales promotion of Euston Lead.

I am attaching a letter received today from Mr Williams advising he has sent 32 pictures addressed to me in care of the Cleveland Office. Kindly call Berry and ask him to deliver this package to you on their arrival as I am sure you will be interested in them.

You will also note he mentions a charge of 30¢ each making a total of 9.60. Do you want to send him a check to cover this expense, or should I send it to him direct and charge to my expense-account, that is, if it meets with your approval..

Very truly yours-

W.E.Dennis.
