Messrs. W. P. Fuller & Co.,
San Francisco, Calif.

Gentlemen:-

SIGNS OF THE TIMES:

Replying to your favor of Oct. 20th beg
to state we were unable to locate a copy of the October
issue of "Signs of the Times" in this city, notwithstanding
the fact that we took up the matter with the American News
Co. and other large publication handlers.

We therefore communicated with the publishers
direct, who very kindly send us their office copy. We are
enclosing their letter and circular for your information
and are forwarding the copy of magazine under separate
cover, marked for "Advertising Dept."

Very truly yours,

W. P. FULLER & CO.
