

March 21, 1949

Dr. Arthur J. Vorwald, Director
The Trudeau Foundation
The Saranac Laboratory
Saranac Lake, N. Y.

Dear Dr. Vorwald:

Thank you very much for your letter of March 17th with which is enclosed a copy of your report on "Asbestos Pneumoconiosis" dated January 31, 1949.

I very much appreciate receiving this extra copy of the report and am also happy to know that it is now being prepared for publication.

With best wishes, I am

Yours sincerely,

A handwritten signature in dark ink, appearing to read "Arthur J. Vorwald", written over a horizontal line.

President
