WAR VETS PRAY AS HERO DIES

MILWAUKEE, April 21.—Voices of 100 battle-scarred war veterans raised in prayer the other day failed to save the life of a war hero comrade at Resthaven Hospital, Waukesha.

Joseph Kearns, 29, who had spent the last four years of his life as a patient at the institution since he was terribly wounded by an exploding bomb at the battle of Chateau Thierry, died at 1 a. m. after battling valiantly to recover from an operation performed recently in an effort to restore his health.

Feeling his life ebbing, Kearns appealed to his comrades to aid him in his fight for life by offering prayer in unison for his recovery.

Every veteran able to leave his bed gathered in the sun parlor and the men knelt and prayed as best they knew how.

Buoyed up at first by the knowledge of the prayers, Kearns rallied for a brief interval, but had a sinking spell shortly after midnight.

He was with the Sixth regiment, Second division of the Marine Corps in France, and enlisted in March, 1917, a month before the United States declared war. His home was in Chicago.

Woodland Regains Parcel Post Service

WOODLAND, April 21.—As a result of special requests made to the United States Post Office Department at Washington, the parcel post delivery system here has been resumed. Wesley Wicks, carrier, is again on the job. The service was discontinued April 1. The department had explained that no funds would be available until July 1. Merchants assisted Postmaster Ed I. Leake in appealing for resumption of the service.

Egyptian Laws Signed.

CAIRO, April 20.—The difficulties over the Egyptian constitution have been settled and King Fuad signed the document. It already had been approved by the Egyptian cabinet and meets with the British objection to the inclusion of the Sudan in Egypt.
