David,

Great to see you at the CSF event last week and I appreciate your offer to help with a meeting request from some of the conservation groups on Colorado River issues. I represent Trout Unlimited and I believe a request was submitted by the National Audubon Society to meet with you on these issues. Tim Stewart, with the Bennett Consulting Group, will likely also be joining the meeting. So, at most, it would be four of us coming in to see you about the Drought Contingency Plans for Upper and Lower Basins, the successor agreement to Minute 319, and Salton Sea. We work closely with the Basin States and the agencies on these programs and so this will be a friendly meeting to figure out how we can continue to be good partners.

I appreciate your help and would be happy to work with Gareth on setting up a meeting that works for you.

Best,

Sara
