Ex. 6 - Personal Privacy Resume.pdf

Ryan:

I am aware that you have visited with [Ex. 6 - Personal Privacy] regarding a position within the EPA. I have known [Ex. 6 - Personal Privacy] for most of her life and would love to see another Oklahoman at the Agency. I am pleased to call or email Scott. What is your recommendation? The last cell number that I have for Scott is

[Personal Phone/Ex. 6]

Congratulations on making the Washington, DC transition. I hear great things about you and am pleased that you are running interference for Scott as his chief of staff. Thank you in advance for any assistance.
