

1 A I went to the manufacturing plant in Berlin,
2 New Jersey where we manufactured the Kaylo product
3 lines.

4 Q We all heard about Kaylo.

5 At this time in the '60s how many plants did
6 Owens-Corning have around the country?

7 A In the '60s I think we had 14 manufacturing
8 plants throughout the country.

9 Q How many of them made Kaylo?

10 A Just the one in Berlin, New Jersey.

11 Q Will you tell the jury what was your job
12 title and the responsibilities when you first went
13 there in the mid '60s?

14 A Yes. I entered the manufacturing plant as
15 the process control supervisor of the facility.

16 Q All right. You mentioned the process of how
17 Kaylo was made.

18 Do they have to cut the Kaylo before it is
19 sent out to the customer?

20 A We do. We actually cut all of our Kaylo or
21 sand it in the facility prior to packaging and
