

ANNUAL 1987 MEETING

Over 700 Distribution Center personnel, NAPA manufacturer representatives and key executives attended the NAPA annual meeting, recently held in Atlanta, Georgia. Those in attendance received a first-hand look at the 1988 marketing and advertising programs so that they were better able to present them to you at your marketing conference.

During the meeting's annual banquet a number of presentations were made, honoring individuals and manufacturers for their contribution to NAPA. Here's a glimpse of those honored:

A special word of thanks, along with a commemorative gift, was given to Bill Hatcher (left), vice chairman of the board for Genuine Parts Company (GPC), for his 46 years of service. Thanking Hatcher for his years of contribution to the NAPA system is Wilton Looney, chairman of the board for GPC (right).

Gary Davis, left, receives a commemorative plaque thanking him for his service as the 1987 NAPA Chairman of the Board from NAPA President Bob McKenna, right. Davis is president and treasurer of Wilmar, Inc.

Dick Erler (center), vice president, sales & marketing, for NAPA Mufflers & Shocks, proudly accepts, on behalf of his company, the 1987 "Spirit of NAPA" award. Pictured, left to right, are: Jim Lowery, Dan Sobie, NAPA President Bob McKenna, Erler, James Ashford, John DeMarkey, Wayne Mowry, Don Kovalevich and Alex Reid.
