To all Board Members:

Subject: APPOINTMENT OF TWO NEW BOARD MEMBERS

You will recall at the Miami Board Meeting the unexpired term of Cliff Long (resigned) and myself were not filled.

If you will consult the following list, consider the area and number of contractors involved, and concur that the President (while probably biased) must represent all regions, you will see the largest region has the least representation now.

New England	Brodie	1
New York	Keasbey	1
Middle Atlantic	Butler Ashmore Gibbons	3
Southeast	Mullinex, Breeding	2
Central States	Wiegers, Long	2
Midwest	Vaughn	1
Southwest	Downs, Dixon, Coffer	3
Far West	Bullough, Saberhagen	2
Canada	Cutler	1

It therefore appears that to be equitable, we must appoint two men from the Midwest area. If MICA affiliates, it will then have a free hand next year in selecting delegates to IDCNA.

I therefore propose to nominate as a representative of the midwest but specifically giving Chicago a voice, the Past President of MICA and Past Vice-President IDCNA, John Dragisic, Inland Insulation Company, Chicago.

My second nomination is a long time member and one of the founders of IDCNA who has offices in Minneapolis, Sioux City and Denver and is in a position to give us wide and wide geographical representation, Lawrence Bennett, A. H. Bennett Company, Denver, Colorado.

I believe it essential to have a full board of directors present at the January Meeting. Will you therefore please communicate by mail with Ellwood F. Jones not later than December 20th if you DO NOT concur with these selections. I have directed that if a majority of the members of the existing board do not disapprove, the Executive Secretary will advise the above gentlemen that they have been elected to the Board and to request their presence at the January meeting.

Very truly yours,

Charles T. Vaughn
