MR. J. H. COOPER
NEWARK

As discussed with you on your last visit to Newport, we want to procure and maintain a complete file of all Pigment Color Research Reports (KN-Reports) pertaining to Phthalocyanine Pigments.

Most of these reports now at Newport are in the possession of E. F. Klenke, Jr. We understand from you that these will be turned over to Operations.

Reports available at Newport are listed by KN numbers:

46-7	53-1
-19	-11
-53	-12
-55	-13
	-14
47-48	-15
	-20
50-6	-21
-14	-25
-19	-27
-39	-28
	-29
51-39	-30
	-31
52-9	-37
-13	
-14	54-8
-15	-9
	-11

Please have this list checked for completeness and send copies of any missing reports. If there is a lack of extra copies in any instances we can arrange to make copies here.

In addition, please provide Newport Operations with a copy of all future reports.
