Q You learned of the association of asbestos and mesothelioma?

A Yes.

Q All right. Now, Doctor, did you sit down and prepare your testimony with the attorneys before you took the stand today?

A Yes.

Q Was that today or last few weeks?

A Both.

Q Both, all right. Are you aware that in this particular case the plaintiffs are going to be asking for substantial amount of money for pain and suffering that Mr. Vandergucht experienced?

A I am not aware of that.

Q Doctor, one of the lawyers told the jury that people with mesothelioma are in excruciating, unrelenting pain.

Is that what happened to Mr. Vandergucht?

A Well, not having been at Mr. Vandergucht's side 24 hours a day over a one and a half year period, I can't testify whether it was ongoing, but I am sure
