Hello Tate:

Thank you for taking time this week to discuss ozone issues pertaining to Sheboygan County. Per our discussion, we have included a fact sheet relating to this matter. In addition, attached is a September 21, 2016 letter from Governor Walker containing ozone designation recommendations for the 2015 ozone standard. If you have any questions, please feel free to contact me or Gail at your convenience. Thanks again.

**We are committed to service excellence.**

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
