Once you forward me the airline itinerary, I will be happy to coordinate it with Lt. Tom Kratochvil (Airport Police) and TSA Customer Service Manager Kathy Bogus. I don't anticipate any issues with your travel through Eppley Airfield.

Take care,

Earl

I spoke with Eppley Airport PD today, and we're working on clearance from TSA/FAA for pickup and drop off on the tarmac. Do you by any chance have any flight info, or at least the airline that you're protectee will be coming in on?

**Personal Security Detail/Ex. 6/Ex. 7C/Ex. 7E/Ex. 7F** do need to drive all the way to Omaha for a meeting. Here's what I'm thinking:

Can you link me up with an officer from Omaha to assist with the late-night arrival on the 19th? After we get my guy tucked in at the hotel in Omaha, we call it a day.

Oct 20th: this is the heavy lift. If you can - hopefully - spare somebody, I'd need him or her for the duration. The day would start in Omaha, we'd move onto Lincoln for events with Gov. Ricketts, then return to Omaha for the one event & a departure from there.

A side question: would you have any contacts in Omaha's airport that may be able to arrange for a tarmac arrival & departure? This isn't standard for us, but it's what we're currently preferring given the uptick in threats.

See below for the latest schedule for EPA. He's now going to Lincoln in the AM of the 20th after an overnight in Omaha, going to a few events with Gov. Ricketts, then returning to Omaha for another event

before departure out of Omaha.

Hopefully this plan holds. I'll call later today to discuss, and thanks again for the help.
