EPA Administrator Pruitt Speaker Request Form.docx

Hello Bob,

Thank you for your message and invitation to the Administrator. I was hoping that you could complete the attached speaking request form for this event so that we could capture additional information. I also noticed that in your letter you mentioned that if we couldn't accommodate a trip to Seattle, perhaps we could do the address at a different time or location. Does your group do an annual DC fly-in or do you have any other events that would also be possibilities? In the chance that we can't make it to Seattle for this, we would be interested in exploring other opportunities to get the Administrator in front of your group.

Please let me know your thoughts. Thank you and we appreciate you reaching out!

Ms. Hayley Ford,

The members of AWWPA would be honored and enthusiastic to have Administrator Scott Pruitt be our keynote speaker.

The American Wood Protection Association is a nonprofit consensus based body that benefits the building, home improvement, electric utility, railroad and other infrastructure critical industries.

Please advise if there is anything we can do to help facilitate this possibility.

Good day and thank you,

Bob Baeppler
