A Either that or get somebody else to handle it for you.

Q Now, the first document I have is dated December 6th, 1955.

MR. SMITH: That is in your folder.

BY MR. SMITH:

Q It is to the attention of Mr. Boeschenstein.

It is on Owens-Corning letterhead and it is from Mr. Rogers that you previously identified.

A Yes.

Q Apparently, a copy of this document was sent to you according to the cc.

A Yes.

Q Now, this document concerns a Dr. Schepers, and certain publications that he had written about fiberglass --

A Where was he?

Q Saranac Lake -- who was promoting these tests and all.

Without getting into the substance of the
