Subject: RE: What's the deal with these pens?

“These purchases were made for the purpose of serving as gifts to the Administrator’s foreign counterparts and dignitaries upon his meeting with them. This adheres to the same protocol of former EPA Administrators and were purchased using funds budgeted for such a purpose.” – EPA spokesman, Jahan Wilcox

Hey,

What's up with these \$1,500 pens? I know the agency is allotted a certain amount of money for furniture and other accessories. Does this fall under that rubric?

<http://thehill.com/policy/energy-environment/390271-epa-spent-1560-on-customized-fountain-pens-for-pruitt-emails>

Thanks
