Cathie,

Rob noted that we left a space for particle size information, but neglected to actually include the information. I've added it in the attached.

He didn't have any other comments on the report, so I guess we're just waiting to hear back from Bernie. Rob didn't seem to be in a hurry to get it out. His attention is definitely focused on Washington Works now. But I would like to get it done, just so I can feel like we've accomplished one task!

Talk to you tomorrow.

Debbie
