BC Notes on relevant information regarding
Motion for Spoliation and supporting documents

Paccar

Paccar is the successor to Peterbilt and Kenworth truck mfrs.

This Spoliation Motion charges Paccar with destroying evidence and lying about things. These things included:

- Paccar was a member of National Safety Council from 1944-1996
- Paccar employee at its dealership was compensated by Workers Comp board of Edmonton for mesothelioma and asbestosis in 1976. Company IH was Bissonette, there also a company medical director.
- Paccar had a rebranding agreement with Abex to sell Abex-made parts as their own in 1970s
