Dear Doctor:

I have a letter from Mr. Webb enclosing a communication from the Sterling Oil Company of Emlenton, Pennsylvania relating to two claims against Barnhart & Chandler of New Matamoras, Ohio. Mr. Webb indicates that he has sent to you a copy of this Sterling Oil Company's letter and also a copy of his letter to me.

I take it there is no disposition on the part of anybody to bring Ethyl Gasoline Corporation into this matter. All Mr. Hunter seems to want is some expert like yourself. If you arrange to testify for the defendants, will you kindly keep us informed if you find any inclination to involve our client.

Very truly yours,
