J. F. Stapleton - B2SA

In preparing a report on the completion of the phase-out program for our PCB/PCT product lines, I will need from you in writing before July 7 your certification that:

1. No products containing PCB's or PCT's are shipped from the W. G. Krummrich Plant without proper processing through COP.

2. No samples of materials containing PCB's or PCT's are released without approval from me.
