

BID FORM

Asbestos Removal, Inc.
(Company Name)

Submits following proposal for:

ASBESTOS ABATEMENT AT
ASARCO, Inc. at
Various Sites
P.O. Box 1111
El Paso, Texas 79999

By signing and submitting this form, the Bidder is attesting to a site visit of said location, in order to become familiar with conditions affecting the work. Successful Bidder agrees to furnish all labor, materials, equipment, and pay any expenses incurred (taxes, travel, per diem, etc.) to complete work in total compliance with Contract Documents such as but not limited to, Plans, Specifications, Invitation to Bidders, and any addenda issued therefor.

The successful Bidder agrees to complete project with conditions set forth in contract documents, Plans and Specifications and time schedule set forth in the Project Schedule in this specification, furthermore successful Bidder understands that five hundred dollars (\$500.00) per day plus Industrial Hygienist and/or air monitoring costs will be the measure of liquidated damages assessed for each calendar day in excess thereof required to complete the work under this contract.

Bidder agrees to execute the Asarco Contract within three (3) working days for date of notification of Award. Bidder agrees to furnish within five (5) working days from notice to proceed, all required insurance policies covering public and property damage, asbestos occurrence liability, and workman's compensation in the amounts specified in the supplementary conditions of the project. Successful Bidder shall furnish performance and payment bonds equal to 100% of the amounts of the Contract within (5) working days *where applicable*.

Bidder further agrees that he understands the exact scope of the project and that he is willing to perform any increase or decrease in the work in accordance with set provisions of these contract documents. Bidder furthermore guarantees that he has become familiar with local conditions, local laws and ordinances, local permits, and rules that may in any manner affect cost, progress or performance of this contract.

Owner reserves the right to refuse any and all Bidders for any reason that serves the best interest of the Owner or building Occupants. Owner reserves the right to waive any technicality or irregularity in the project plans and/or Bidder documentation. Bidder understands that to be considered a successful Bidder, he must include with the Bid Proposal all submittals required below. Failure to submit required documents and submittals shall be basis to disqualify Bidder at bid opening. Disqualified Bidder shall be considered non-responsive and his bid shall not be

recorded. This contract will not be awarded solely on lowest bid consideration, the submittal package and the unit prices shall be evaluated for the best responsive bidder.

A. Experience

1. Working experience on the ASARCO Plant (Evaluation points 40%).
