CLAIM NUMBER: 010733-000771-WC-01

DATE OF LOSS: 5/91 - 7/13/91 C.T.

REDACTED

CLAIMANT:

TOTAL EXPERIENCE (RESERVE PLUS AMOUNTS PAID): \$ 19,600.00

INJURIES AND/OR DAMAGES—BASIC LOSS INFORMATION:

See prior update of September 21, 1992. It turns out the Compromise and Release was finally returned to defense counsel from applicant's attorney, and they submitted it to the WCAB for approval. Unfortunately, the WCAB Judge would not approve the C&R until all the liens had been resolved. At this point, there are only three liens left to settle, their total exposure less than \$3000.00 (we should be able to negotiate them for much less than this).

STATUS:

We will settle the remaining liens and resubmit the C&R to the WCAB for approval. After this agreement is approved and paid, the file can be closed.
