Dr. R. W. Schiessler, Director
API Research Project 42
The Pennsylvania State College
School of Chemistry and Physics
State College, Pennsylvania

Dear Doctor Schiessler:

The samples referred to in your phone call and letter of July 13 have been received in good order. They will be tested for acceleration of carcinogenesis. We appreciate the value of these samples and will carefully evaluate the results before considering further selection of samples.

Thank you very much for your generous cooperation with our program.

Sincerely yours,

Ruth C. Pierle, Ph.D.
Senior Research Associate
