[This is the S.O.](#) that I thought we were asked to report back to, regarding climate change (dated September 2009) and, I think, is the primary DOI instrument that mandated the LCCs

SO 3349 states that we have to provide the Deputy Secretary with actions we adopted relating to various Presidential actions. The date of the first listed action is 2013, close to 4 years after SO 3289. Beyond that, SO 3289 was a DOI action, not a BLM action, so let's see if one of the Departmental offices includes it in their list of actions.
