SUBJECT: Ad Hoc Group on Asbestos Meeting November 14, 1974

The Chairman of this new Ad Hoc Group has requested a meeting be scheduled for:

Thursday, November 14, 1974
9:00 a.m. - Room 729
MVMA Detroit Offices

The preliminary agenda will be to review the present OSHA Standard 1910.93a Asbestos (39 FR 23543 - June 27, 1974). OSHA has indicated their intention to offer amendments to this standard to be promulgated before the end of this year.

The following materials are attached for background information on this matter:

- MVMA Action Bulletin S74-590
- ASTM E-34 Mineralogical Definitions and Ballot
- ASTM E-34 Draft Recommendations for an Asbestos Standard
- AIA/NA Letter and recommendations to OSHA for revision of asbestos standard
- ANSI Draft standard (5/2/74) "Fundamentals Governing the Design and Operation of Local Exhaust Systems for the Control of Asbestos - Containing Dusts".

Please review these materials before the meeting and bring them with you for discussion purposes.
