**Subject:** Revised/Final Dialogue Script for the ECOS Coop Fed Session Monday AM btw Ken, John, & Todd - With First Q&A Discussion Anticipated from Macy/Traylor  
**Attachments:** Revised Dialogue for Monday on Cooperative Federalism.docx

Hi all,

The attached for John, Todd & Ken includes the dialogue we've planned with the additional topic on emergency response collaboration suggested by Ken and a clarification of the lean question to be more about taking action on things that are "stuck" per Ken's conversation w Andrea. Andrea is working with Ken on his points.

I'm pleased to let you know that the open floor will not be met with silence, as Jim Macy and Patrick Traylor are going to make a few comments in response to John opening the floor about their work on cooperative federalism in the enforcement and compliance assistance realm (so they're copied here).

I will bring hard copies just in case they're needed.

Safe travels out west, and thank you for everything to make this meeting a success.
